A Note from Mandy Crater

New Year's is one of my favorite holidays. It provides a time to reflect on the past and plan for the future. This year brings a whole decade to a close, and somehow evokes even more nostalgia for the past and hope for the future. The building industry has changed significantly in the past 10 years, and HomeAid has as well. Our impact has grown exponentially. Thanks to you, we added or preserved 113 beds for people experiencing homelessness throughout metro Atlanta this year. We completed 16 Care Days, collected Essentials Drive baby items and created Care Kits touching the lives of over 2,000 people! Click the image below to view a slideshow of our 2019 highlights. Going into 2020 we are working on a strategic plan to continue to grow our impact.

Mandy Crater

Thank you for being there for us and the thousands of people whose lives you touched through your generosity this decade. And thanks in advance for continuing to partner with us to build new lives next year and beyond!
Happy Holidays!

2020 GIVING PROGRAM

HomeAid Atlanta builds new lives for homeless families and individuals through housing and community outreach. This is accomplished through generous donations of construction services, materials, and financial gifts from members of the home building industry and the community. Thank you for your support!
