HOMEAID CARE DAY AT HOMESTRETCH

Volunteers make needed improvements at North Fulton homeless service provider

Atlanta, GA - August 30, 2018 - On August 24, volunteers from Brand Vaughan Lumber Company and the Greater Atlanta Home Builders Association's North Fulton Chapter joined HomeAid Atlanta for a Care Day at HomeStretch in Roswell.

HomeAid Care Days are “done in a day” workdays that deliver free-of-charge maintenance and repairs for nonprofit organizations providing services for metro Atlanta’s homeless and at-risk population. HomeAid has worked with HomeStretch many times over the years, completing five major renovation projects and six Care Days at HomeStretch. “HomeAid Atlanta has consistently supported projects at HomeStretch which have added to our capacity to serve working homeless families guiding them towards permanent housing and lasting stability. We appreciate the generosity,” said Carol Swan HomeStretch Program Director.

The workday focused on improvements in and around several of HomeStretch’s apartments. Volunteers pulled up rotten sub-flooring in one apartment, pulled up carpeting and tacking strips in another, painted the interior of yet another apartment, stained two sets of exterior handicap ramps, and completed some light gardening tasks.

HomeAid Atlanta, founded in 2001, is a nonprofit organization that builds new lives for homeless families and individuals through housing and community outreach. HomeAid works in partnership with the building industry, as well as community organizations, to assist people experiencing homelessness. To date, HomeAid Atlanta has completed over 100 housing, remodel and care day projects at locations serving victims of domestic violence, teen mothers, veterans and more. HomeAid is the designated charity of the Greater Atlanta Home Builders Association. Learn more at www.homeaidatlanta.org.
