HomeAid Atlanta builds new lives for homeless families and individuals through housing and community outreach. www.HomeAidAtlanta.org

Atlanta Center for Self-Sufficiency serves men and women, including veterans, who are experiencing homelessness, are at imminent risk of homelessness, or residing in subsidized housing. ACSS provides them with the knowledge, tools and resources required to obtain full-time employment and thrive in their own lives. ACSS' mission is to empower financially vulnerable individuals in our community to become self-sufficient, sustainably employed and economic contributors to society. www.AtlantACSS.org
