HOMEAID ATLANTA & OVERHEAD DOOR COMPANY OF ATLANTA ASSIST ACTION MINISTRIES

Organizations partner to make needed improvements at food distribution center

Atlanta, GA - HomeAid Atlanta and Overhead Door Company of Atlanta partnered together on Saturday, September 10 to make improvements at Action Ministries Feed the Hungry. Projects included constructing and painting greatly needed storage shelving, painting the breakroom, meeting room and an office as well as adding casters to and painting large storage bins.

Shakura Conoly, Associate Vice President of Hunger Programs for Action Ministries, was present at the Care Day to welcome volunteers. She later remarked, "Action Ministries Feed the Hungry appreciates HomeAid Atlanta and Overhead Door Company of Atlanta for all their hard work. The new shelving will allow us to be organized – and we really needed that in the storage room. The newly painted office space looks great and is so much brighter than before. We didn't have the time or money to make these projects happen. Now, with thanks to HomeAid and Overhead Door Company, the work is done and looks great!"
