

HomeAid Atlanta 2017 Closing Campaign

HomeAid builds new lives for homeless families and individuals through housing and community outreach.

Founded in 2001, HomeAid is a 501c3 nonprofit organization that builds new lives for homeless families and individuals through housing and community outreach. HomeAid is the **designated charity of the Greater Atlanta Home Builders Association** and acts as the housing developer and liaison between homeless service providers, builders, trade partners and community volunteers. **HomeAid builds safe, dignified housing** that blends into neighborhoods so that Atlantans experiencing homelessness have the best opportunity to rebuild their lives.

As a home builder, developer, real estate agent, lender or closing attorney, you have a unique opportunity to help families in need by making a pledge to HomeAid Atlanta for each of your closing transactions in 2017. Your contribution will help HomeAid Atlanta continue building and renovating housing facilities for organizations that offer life-changing services to homeless families in our community.
